

ARI QUEEN

The Ari Queen is a 35-meter luxury dive safari boat designed for ultimate comfort and unforgettable underwater adventures in the pristine waters of Ari Atoll.

Built specifically for diving enthusiasts, the Ari Queen combines modern luxury with traditional Maldivian hospitality. Our vessel features state-of-the-art diving equipment, spacious sun decks, and elegantly appointed cabins.

With a maximum capacity of 24 guests, ensure an intimate and personalized experience. The expert crew and dive masters have decades of combined experience navigating the rich waters of Ari Atoll, home to manta rays, whale sharks, and vibrant coral reefs.

Whether you're an experienced diver or just starting your underwater journey, the Ari Queen provides the perfect platform for exploring one of the world's premier diving destinations.
