

Inspiring a lifetime of rare experiences

Noonu Atoll - Maldives

## The Ultimate Overwater Sanctuary

An imaginative journey that began over two decades ago, the Soneva story continues with Soneva Jani. Inspired by a word that means 'wisdom' in Sanskrit, Soneva Jani encompasses a collection of water villas and island sanctuaries set within a lagoon of crystal-clear waters, with islands fringed by pristine beaches and blanketed in lush tropical greenery.

The highlight of the islands that the resort calls home is the 5.6 kilometre private lagoon that surrounds it; an awe-inspiring azure spectacle that inspires a sense of calm.

### Location

Soneva Jani, located in the Medhufaru lagoon in the Noonu Atoll, comprises five islands, the largest of which is Medhufaru, which is 150 acres in size. The resort can be reached by a scenic 40-minute seaplane flight direct from Malé International Airport, a 60-minute speedboat ride from Soneva Fushi, or by a leisurely full day cruise from Soneva Fushi onboard Soneva in Aqua. Guests can also fly directly into Maafaru International Airport and then take a 15-minute speedboat ride to the resort.

### Stay

Guests will be treated to a unique castaway experience within spacious villas, which feature beautifully designed interiors made from the highest quality sustainable materials.

Each water villa opens to its very own stretch of sparkling lagoon and is complete with a private pool. What's more, many of the villas feature slides from the top floor straight into the lagoon and have a retractable roof to stargaze from the master bedroom. The island villas are tucked into verdant greenery and come with private pools and are just steps from the white sand beach.

### Common Amenities

Our villas and reserves offer guests exclusive facilities to enhance the overall sentiment of intuitive and intelligent luxury, including private pools, outdoor decks and direct access to the lagoon.
